Dear Friends:

It is always a pleasure to compose this letter of invitation as the Scofield family looks forward with a great deal of anticipation to visiting with many old friends and making new ones at sale time.

Last year we predicted better cattle prices and stronger demands for serviceable age bulls. This has come to pass. The next year will see a continuation of this trend plus an increased demand for registered females. **BUY NOW FOR PROFIT FROM A RISING MARKET.**

Please join us May 5th and bring your friends. We believe our sale offering to be the best ever.

KICKAPOO CHIEF—Recently purchased at private treaty this bull has tremendous size and bone with lots of depth of quarter. He has what I believe to be the best head of any Shorthorn bull in the United States. Dad says, "He looks like an old country stock bull," and so we are willing to gamble with our best breeding cows. Join us by purchasing one of the young heifers in calf to him. Please note the pedigree. The sire doing wonders for Kickapoo, Calrossie Pauline Pearl—a great show cow by Kirkton Baronet, Cupbearer also by Baronet bred well, not to mention Highland Pride. Maghermorne Commodore was a great sire for R. S. McWilliam, and Ramond Duer says the cows are the best. Intensely bred sire! Intensely bred dam!

KAMAR PRINCE ADVISOR—There is no better pedigree than this one in the catalog. A big rugged, heavy boned calf with lots of future. A good buy for anyone needing a bull for light service now and heavy duty next Fall.

The following 42 females are the kind that have been producing well for Scofield Ranch.

We are using big rugged heavy boned bulls best suited to produce top quality bulls for the commercial breeders of the Southwest.

If you want to produce readily saleable bulls you can buy these females with confidence in the future and you will most surely not be disappointed.

Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service data.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
